**or FAX it to 610-956-2971**

I authorize professional writer Kathryn Bechen to submit my home's photos to home and garden magazines and publications for article consideration.

I understand that submission of my home's photos is no guarantee that an article about my home will be ever be published, even if a magazine originally accepts my home for publication.

I understand that if my home is chosen by a magazine that a professional photo crew may be sent to my home and I agree to that.
