March 27, 1995

Dear Client:

I'm relocating my business and I'd be sincerely "touched" if you'd come with me! I'm proud to announce my new association beginning Monday, April 3, 1995 with Dr. Gayle Beach, D. C., Founder of Applewood Chiropractic Clinic in the Applewood Plaza strip Shopping Center (South side of 96th and Q, 1 block east of Applewood Shopping Center).

Whether you are 6 or 60 you can benefit from the stress reduction of therapeutic massage! Along with my several years of "real life" administrative work experience in numerous medical clinics, I am a State of Nebraska Licensed Massage Therapist, Nationally Certified, with special interests and experience providing several modalities of therapeutic massage for chronic pain, migraine headaches, terminal illness, geriatric care, carpal tunnel syndrome management, and pregnancy.

Give *yourself* the gift of therapeutic massage by calling Applewood Chiropractic Clinic at 331-9444 for an appointment to use any gift certificates you may still have. Existing gift certificates will be honored for the original \$ amount. Current fees will remain in effect during this promotional offer. Effective May 1, 1995 my new fees will be \$15 per quarter hour, \$25 per half hour, and \$45 per hour. Senior Citizen rates will be \$25 per hour.

Thanks for your business in the past and when you make your next appointment you'll receive a free gift.

Sincerely,

Cathy D. Terry, L.M.T., N.C.

P.S. Thank you for your trust in me, and I look forward to serving you in good health at my new location... "A kind heart giving a soothing touch can ease one's burdens ever so much."
